

Rikedom runt knuten

Älvarna, bergen, skogen och myrarna runt Jukkasjärvis otämjda natur är vår alldeles egna skattgömma. Det är här vi står hukade och fyller korgar med skogens guld, vandrar ljudlöst över markerna på span efter viltets mäktiga kronor och väntar hoppfullt efter napp från fjällrödingens rubinröda gestalt. En rikedom runt knuten som vi förvaltar för att ge dig en matupplevelse du sent ska glömma.

Treasures around the corner

The rivers, mountains, forests and bogs of Jukkasjärvi's untamed nature are our very own treasure hideouts. This is where we stand crouched to fill baskets of cloudberries, walk silently across the fields to get a glimpse of the moose's mighty crown and wait patiently for the ruby red mountain char to catch the bait. We refine all these treasures from around the corner to give you a memorable food experience.
