

MIDNIGHT SUN

COURSES AND TRAINING AT ICEHOTEL

Let the untouched landscapes of the Arctic inspire your next conference – an adventure beyond the ordinary.

At ICEHOTEL, you'll find everything you need for a traditional conference, but with a unique twist. Our activities in Lapland's wilderness strengthen the bonds within your team – creating a sense of connection and trust that you'll take back to the office. During the day, you'll have access to conference rooms, but you can also opt for outdoor meetings surrounded by stunning scenery. In the evenings, gather to enjoy local northern delicacies, either in our restaurant or by an open fire in the wilderness.
