WEDDING PACKAGES

WED IN SUB-ZERO degrees, amongst glistening ice art, under the Arctic lights or by an open fire. Choose classic and romantic or adventurous and mystical. We offer your dreams and promise to deliver an amazing setting, crystal-clear ice and an experience unlike anything else. Everything is possible at Icehotel.

WE HAVE GATHERED four wedding packages that are also perfect for renewal of vows, and to which you can put your own theme and upgrades

on to get your dream wedding. We are also offering tailored weddings in our Arctic Tipi for large wedding parties.

FOR YOU WHO are planning a proposal, we have two packages you can choose from: a romantic midnight proposal inside Icehotel, surrounded by the amazing ice, or an adventurous proposal under the open sky, in the middle of Europe's last wilderness.
