

ESSENCE

AN ORDINARY DAY IN AN EXTRAORDINARY PLACE

Jukkasjärvi has a long history as a marketplace where people have gathered to exchange ideas for centuries. At ICEHOTEL, we continue this tradition by offering a place for creativity and connection. Here, you'll meet in an inspiring environment where snow, ice, and art create a unique and memorable conference experience.

Choose from pre-designed conference packages or tailored solutions. At ICEHOTEL, you can combine your meetings with exciting activities like ice sculpting or wilderness dinner.

Our Essence conference package is a one day package where you get the best of ICEHOTEL, and get time to enjoy our facilities and delicious food made with local produce. Or simply enjoy the tranquility of the Arctic wilderness.
